TO WHOM IT MAY CONCERN:

The Conneaut School District is seeking bids for CAFETERIA EQUIPMENT. Below is a list of instructions and conditions for bidders:

1. Bid lists are provided by the District. All bids must be submitted on the forms provided.
2. The equipment specified by name or description are given to establish a standard of quantity and of cost for bid purposes. It is not the intent to limit the acceptance to any one product specified, but rather to name and describe it as the absolute minimum standard that is desired and acceptable. Alternate items of equal or greater quality will be considered, but any deviations from specifications or "equal to" item must be clearly marked "alternate".
3. Prices submitted must reflect the cost of delivery, set in place, installation, and (where applicable) commissioning in accordance with all local, state, and federal codes. A separate schedule of physical addresses for each school is provided. Loading docks are not available at most District buildings; therefore, lift gate delivery should be anticipated.
4. The following items must be included in order for a bid to be considered complete:
 - 1) Completed bit list
 - 2) Non-collusion affidavit
 - 3) Bidder information form
 - 4) Specifications for all equipment proposed in the bid submission
5. Sealed bids (clearly marked "BID FOR CAFETERIA EQUIPMENT") will be accepted until 2:00 P.M., Friday, September 3, 2021 and will be opened publicly at that time in the District Administration Office. Bids may be awarded by the Conneaut School District Board of Directors at a regular meeting to be held on Wednesday, September 8, 2021.
6. Any questions should be directed to the District's Business Manager, Greg Mayle, at 814-683-5900 x5451 or by email at greg.mayle@conneautsd.org.

The Conneaut School District Board of School Directors reserves the right to accept or reject any and all bids, including the lowest bid, to accept one item from a bid, and has a right to require samples for inspection and to require suppliers to demonstrate equality of items bid to specified items.

Failure of successful bidders to abide by these factors or to meet reasonable delivery deadlines will result in their being dropped from future lists of bidders.
