TEACHERS' QUALIFICATIONS ARE AVAILABLE TO PARENTS:

As parents of a student attending school in the Conneaut School District, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers. It also requires us to provide you with this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether the Pennsylvania Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the Pennsylvania Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under State regulations because of special circumstances.
- The teachers' college major, whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- Whether any teacher's aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to receive any of this information, please contact Mr. Jarrin Sperry, Superintendent at 814-683-5900 or at jarrin.sperry@conneautsd.org.

DISCRIMINATION POLICY:

It is the policy of the Conneaut School District not to discriminate on the basis of sex, handicap, race, color, or national origin in its educational and vocational programs, activities, or employment as required by Title IX, Section 504, and Title VI. For information relevant to this policy contact Mr. Jarrin Sperry, 504 Coordinator, and Title IX Coordinator, 219 West School Drive, Linesville, PA 16424, 814-683-5900.

RULES FOR STUDENT CONDUCT Policy #218.2

Adopted: April 13, 1994 Revised: July 13, 2022

Purpose:

Each student within the District has an individual responsibility to abide by all laws and rules of student conduct. Failure to assume this responsibility will result in disciplinary actions.

Guidelines:

The following rules and guidelines have been formulated to effect orderly conduct within the District buildings, grounds and vehicles. These rules of student conduct are set forth by class of offense and indicate a measure of punishment. The administration of penalties or consequences noted shall at all times be in compliance with regulations noted in:

- 1. Title 22 Education; Part 1, Pennsylvania State Board of Education; Subpart A, Miscellaneous Provisions; Chapter 12, Students.
- Conneaut School District Board Policy 218, 218.1, 218.2, 218.3.

These guidelines refer to students' rights and due process. Parents/Guardians may be contacted at any level of infraction.

To conduct him/herself appropriately in school, the student must learn the basic discipline guidelines from both the school and the home. Discipline must be looked upon as important and necessary by the student, the parent(s)/guardian(s), and the school. Unacceptable forms of student behavior can be organized into four categories:

1st Level: Acts of misbehavior resolved by the classroom teacher and/or principal or designee.

2nd Level: Misbehaviors, which by their seriousness or frequency, require disciplinary action by the principal or designee.

3rd & 4th Level: Misbehaviors which are extremely serious, highly disruptive and/or illegal or criminal in nature and are addressed by the principal or designee.

This section identifies some unacceptable student behaviors and cites the disciplinary action(s) violators can expect. **NOTE:** This is only a listing of some violations and possible disciplinary actions. **This list is not all inclusive, nor is it in any particular order.** Final decisions regarding the type and/or pervasiveness/severity of the behavior and the disciplinary consequences to be applied are at the discretion of the administration. In all cases, disciplinary action may be accelerated for repeat offenders and/or due to the pervasiveness/severity of the offense when taking into consideration evidence uncovered during the course of investigating the incident in question. It should also be noted that administration reserves the right to revoke or deny privileges based upon student behavior.

Students must complete one (1) of the following:

- 1. Keystone (state-wide assessment) Exams A student must score in the proficient or advanced level on the Keystone Exams for Algebra 1, Literature, Biology. This Exam will be taken at the end of the course.
- 2. Beginning with the class of 2017, Keystone Project Based Assessments may be completed by students unable to successfully complete Keystone Exam. An advisor "certified in the subject area" will be assigned to the project based assessment.

Students shall obtain 26 units of credit and complete the Career Portfolio Project.

The units of credits shall be earned in the following areas:

Units of Credit	Course Title Eight (8) Period Day
4	English
3	History
3	Science
4	*Math
1	Computer Course
+ 3	Health/Physical Education
18	Total Credits
+ 8	Electives - (Additional courses from among those approved for credit toward graduation by the School District, including approved career & technical courses.)
26	Total Units of Credits

^{*}Students are required to take one (1) math credit in their junior year.

GRADUATION: Graduation exercises are to be considered a privilege and not a right. Therefore, student participation can be limited due to violation of the school and District's rules, policies, and procedures. All graduation practices are mandatory, if a practice is missed, the student will be unable to participate in the graduation ceremony.

GRADE PLACEMENT:

Credits Needed to Move From: 9th to 10th grade – 6.0 credits 10th to 11th grade – 12.0 credits 11th to 12th grade – 18.0 credits

Grade placement in senior high school is determined on the basis of credits earned.

^{**}Students attending Crawford County Career and Technical Center should take four (4) credits of mathematics to fulfill recommended course sequencing unless impossible to schedule.

^{*}Credit will be given for remedial classes taken to pass the Keystone Exams.

GRADING:

Percentage grades are used to report individual progress of students.

Grading Scale: A (93-100);

B (85-92);

C (73-84);

D (65-72);

F (0-64)

There are two (2) grading periods during the semester. Each grading period consists of 45 instructional days. Report cards are distributed one week after the close of the grading period.

WEIGHTED GRADES - The philosophy behind weighting a course is based on the premise that a grade in a more academically challenging course should carry more point value than the same grade given in a less challenging course. The point value has been established at 1.1. The following is a list of those courses that will be considered for weighted grades:

Subjects		
Algebra II	AP Literature	Biology II
Geometry	AP Biology	Microbiology
Trigonometry	AP Comp Science	Anatomy Physiology
Pre-Calculus	AP Chemistry	Physics
Calculus	Organic Chemistry	German III, IV & V
College Prep English 9-12	Inorganic Chemistry	Spanish III, IV & V

DUAL ENROLLMENT PROGRAM: Allows high school juniors and seniors to take college courses and high school courses at the same time while earning credit for both. Student will need to speak to their School Counselor for more information.

HONOR ROLL: All subjects are considered in determining placement on the Honor Roll. Grade point averages are calculated based upon the units of credits and the student's grade in that course. Example (for one semester):

SUBJECT	CREDIT	GRADE	POINTS
English	1.0	92	92.0
Chemistry	1.0	88 (1.1)	96.8
Computer I	1.0	86	86.0
Health	0.5	98	49.0
Physical Education	0.5	99	49.5
TOTALS:	4.0	463	373.3

Quality Point Average = Quality Points/Credits Example: $373.3 \div 4.0 = QPA$ (Grade Point Average)

The overall QPA required earning placement on the Honor Roll:

95% - 100% HIGH HONORS (with no grade lower than 85%)

91% - 94% HONORS (with only one (1) grade lower than 85% but not lower than 77%)

FOR GRADUATION PURPOSES, HIGH HONORS AND HONORS ARE BASED ON THE CUMULATIVE AVERAGE OF ALL FINAL GRADES. CLASS RANK SHALL BE COMPUTED BY THE FINAL PERCENTAGE IN ALL SUBJECTS.

A student's grade percentage shall be carried out to FOUR (4) decimal places only and will not be rounded up or down. Any two (2) or more students who have computed percentage averages which are identical shall be given the same rank. The rank of the student who immediately follows a tied position will be determined by the number of students preceding him/her and not by the rank of the person preceding him/her.

Weighted grades will be used for the purpose of determining honor roll and class rank.

VALEDICTORIAN: Graduating senior who has achieved the highest grade point average in grades 9 through 12.

SALUTATORIAN: Graduating senior who has achieved the second highest grade point average in grades 9 through 12.

FINAL GRADES: The final grade in any full credit course is calculated as shown in the following example:

SENIOR HIGH	GRADE	FACTOR
First Grading Period	84	x 2.25 = 189
Second Grading Period	88	x 2.25 = 198
Third Grading Period	80	x 2.25 = 180
Fourth Grading Period	72	x 2.25 = 162
Final Exam	72	x 1 = 72
TOTAL		(10) 801

Final Grade: $801 \div 10 = 80.1\%$ (or 80%)

Final exams in courses which are less than one full credit are optional.

HOME ACCESS CENTER - Parent(s)/guardian(s) are encouraged to monitor their students' academic progress by accessing the Home Access Center website located on the Conneaut School District Website; www.conneautsd.org. Students are also encouraged to monitor their academic progress. Students will be reminded of their login information at the beginning of each school year. If parents/guardians need their login information, please contact the school office. If you have questions or problems accessing the Home Access Center website, contact the school office.

CRAWFORD COUNTY CAREER & TECHNICAL CENTER - The Crawford County Career & Technical Center (CCCTC) is the major center of occupational and technical skill training for secondary students and adults in the county. Four out of five jobs in the next ten years will require some type of trade or technical training according to the U.S. Bureau of Labor Statistics.

At the Career and Technical Center, students have a chance to learn a life supporting skill, a way to "Learn To Earn." Seventeen programs spanning a variety of careers are available for high school students. People with specific job skills have an advantage when seeking jobs which offer better pay or advancement. Career-Technical skills can open many doors. Upon graduation, students can enter the work force, begin an apprentice program, go to trade/technical schools or go to college. Learning a skill is an investment in one's future.

During the fall, all Freshmen will attend a three hour field trip to tour the Crawford County Career and Technical Center. This field trip is during the school day and chaperoned by teachers and counselors. If a student indicates an interest in any of the programs, they will then return to the CCCTC later in the year to do half-day work sessions in those programs. Freshmen will be informed by the end of the year whether they have been accepted into the program of their choice.

CRAWFORD COUNTY CAREER & TECHNICAL CENTER ENROLLMENT PROCESS

SEPTEMBER - 9TH-GRADE ORIENTATIONS

Fliers are mailed out "To the Parent/Guardians of..." all 9th-grade students prior to school starting. These explain the programs available to them through the Crawford County Career & Technical Center (CCCTC) and give a general outline of the enrollment process. As school is starting, postcards go out to all 10th-, 11th- and 12th-grade students, reminding them that CCCTC courses are an option available to them. Mailing address information is obtained from the sending districts during the summer.

The CCCTC counselor visits each sending school to give one-period orientations to 9th-grade students and distribute Program Guides, containing application forms, for them to take home and discuss with their parent/guardians. Detailed information for each program may also be found at the school website, www.crawfordetc.org, High School Programs.

OCTOBER - 9TH GRADE TOURS/APPLICATIONS

9th-grade students do a half-day tour of the programs at CCCTC. Students fill out Interest forms before leaving the Career & Technical Center, indicating up to three shops they would like to look at more closely. Postcards are mailed to the students from the instructor of their program-of-first-choice, reminding the student to fill out an application form and return it to their home-school counselor. Additional application forms can be obtained from the counselors or at www.crawfordctc.org.

OCTOBER/NOVEMBER – OPEN HOUSE

A day is chosen for Open House. Hours are during both sessions of school as well as in the evening. Postcards with the date and times are mailed to 7th- through 12th-grade students from the sending schools. Address data is provided by the districts.

NOVEMBER – INTERVIEWS & SENDING-SCHOOL INTENT

The sending-school counselors set up a schedule with the CCCTC counselor to interview applicants. A copy of transcripts for 7th- and 8th-grades as well as a copy of the 9th-grade report card for each applicant is attached to the completed Application. This will be given to the CCCTC counselor (or special populations coordinator if the applicant has an I.E.P.) on the day of interviews.

CCCTC prepares Intent letters for students who were accepted the previous year as 9th-graders to start two-year programs during the next year as 11th-graders. The purpose is to give students the opportunity to indicate if their chosen program is still their career intention. These are given to the home-school counselors for the accepted students to complete, and then are returned to CCCTC.

DECEMBER – IN-HOUSE INTENT

Any current CCCTC students who are expected to return for the next school year are given In-House Intent forms to complete. This gives students an opportunity to indicate if they wish to remain in their current program, return to a full-time schedule at their home school, or be considered for an opening in another CCCTC shop. Any student who indicates they wish to transfer to a different CCCTC program will be scheduled for a work session, if they did not previously have one for that shop.

JANUARY/FEBRUARY - WORK SESSIONS

New applicants come to CCCTC for half-day work sessions, in up to three different shops they have chosen, to determine if they want to attend CCCTC. The students complete Final Intent After Work Sessions forms to indicate if they wish to enroll in work session course(s), and order of preference.

FEBRUARY/MARCH - ACCEPTANCE PROCESS

Students are accepted into programs based on the CCCTC Student Application/Selection Policy. Accept notices are given to sending-school counselors to distribute. Each student signs their accept notice after marking whether or not he/she will attend the indicated CCCTC course. Sending-school counselors return the signed accept notices to CCCTC.

Any student not directly accepted into a program will be mailed a Parent/Guardian Conference letter (acceptance pending outcome of conference) or given a Wait List notice. Wait lists are maintained for courses with more requests than openings. If an accepted student decides not to attend, moves, etc., then another student is selected from the wait list for that program. This can happen at any time up through the beginning of the scheduled enrollment year.

MARCH/APRIL - HOME SCHOOL/CCCTC SCHEDULING & MAKE-UP WORK SESSIONS Make-up work sessions are scheduled for applicants who were absent or applied late. Any work sessions done after the acceptances will be for programs with openings still available or for placement on program wait lists.

Sending-school counselors help students set up a half-day CCCTC, half-day sending school schedule for the appropriate school year. With careful planning, students can attend CCCTC and complete all graduation requirements.

FOR MORE INFORMATION, CONTACT STUDENT SERVICES AT CCCTC.

This program concentrates on studies required to achieve the 2 year and 1 year certifications. The student becomes skilled at computer maintenance and repair, and network fundamentals. The CompTIA, IT Fundamentals and A+certifications are the industry standard for computer support technicians. These certifications prove competence in areas such as installation, preventative maintenance, networking, security and troubleshooting. Information technology, even in a tough economy, is a rapidly growing and necessary field. Students who achieve their CompTIA certifications means increased job security, additional career opportunities and increased credibility in the workplace

Machinists and toolmakers are skilled workers who provide tools and special guiding and holding devices that are used to mass-produce a variety of machined parts. Using basic manual machine, advanced CNC machine tools and precision measuring instruments, students work with the metals and alloys commonly used in manufacturing and hold to tolerances acceptable in industry.

In this course the student will develop a broad knowledge of machine operation, standard shop practices, blueprint reading, metal processes, heat treating and related mathematics. All machines and instruments are commonly used in industry. One hour of related theory will be provided for every six hours in the shop. The students practice their skills by making precision tools which they get to keep and use in their career in the machining industry.

The Drafting and Design Technology/CADD class is devoted to training students for college engineering programs and the work force. This course will provide a broad and thorough knowledge of the principle methods by which draftspersons, engineers, technicians and designers in the field express ideas to the craftspersons who fabricate the item used in everyday life. Work in this course will give the student an opportunity to develop the necessary technical skills in the use of 2D CADD software, 3D solid modeling, and 3D printing used to produce electronic files and rapid prototypes. Emphasis is placed upon acquiring the necessary technical knowledge to be able to orally, graphically, mathematically, and scientifically translate the idea of the engineer, technician, and tradesperson into a practical graphic language. The course stresses the relationship between theory and practice through the application of principles that provide entry level skills and "hands-on" experiences on computer aided drafting systems. Areas of specialization include mechanical, architectural, and civil drafting as well as technical illustration.

ELECTRONIC TECHNOLOGY (3 years) (grades 10, 11, & 12)

Today, graduates of this program may be found working in such specialty fields as Broadcasting, Aviation Electronics, Computers, Telecommunications, Medical Equipment Design and Maintenance, Industrial Process Control, and more.

Starting salaries of qualified Electronics Technology graduates are often above that of many students graduating from other degree programs.

NCAA CLEARING HOUSE INFORMATION - If you are a student athlete interested in competing in intercollegiate athletics, the National Collegiate Athletic Association (NCAA) has established criteria that must be followed. You may access additional information at NCAA.org and discuss your academic and athletic requirements and guidelines with the school's principal, school counselor and athletic director.

- THE STUDENT IS TO PRESENT A WRITTEN EXCUSE FOR AN ABSENCE WITHIN THREE (3) DAYS OF HIS/HER RETURN.
- THE EXCUSE <u>MUST</u> BE SIGNED BY THE STUDENT'S PARENT OR GUARDIAN.
- AN ABSENCE WILL BE RECORDED AS ILLEGAL (UNDER 17 YEARS OF AGE) OR UNEXCUSED (17 YEARS OF AGE OR OLDER), IF THE WRITTEN EXCUSE IS NOT RECEIVED WITHIN THE THREE (3) DAYS.
- IN ADDITION TO THE ABSENCE BEING RECORDED AS ILLEGAL OR UNEXCUSED, DISCIPLINARY ACTION WILL ALSO BE ASSIGNED TO THE STUDENT, REGARDLESS OF AGE.
- PARENTS ARE ASKED TO NOTIFY THE SCHOOL OF ABSENCE BY 8:30 AM ON THE DAY OF ABSENCE.
- STUDENTS ARE EXPECTED TO MAKE UP WORK MISSED AS SOON AS POSSIBLE. THEY WILL BE GIVEN AS MANY DAYS TO TURN IN WORK AS THEY ARE OUT.

A student is considered to have been legally absent for any of the following reasons:

- o Illness
- Family quarantine
- Death in the immediate family
- Religious observances
- Family emergencies

- o Recovery from accident
- Required court attendance
- o Certain weather conditions
- Pre-approved educational trips

A "Doctor I" letter will be issued after a student has been absent for five (5) days in the current school year. This letter states the student MAY be required to provide a doctor's excuse for further absences (full and/or partial days). A "Doctor II" letter will be issued after a student has accumulated ten (10) days of non-medical excused absences in the current school year. This letter states that the student WILL be required to provide a doctor's note for each subsequent absence (full and/or partial days). Students who have received a "Doctor II" letter and do not provide a doctor's note for each subsequent absence (full and/or partial days) will be issued an illegal/unexcused absence.

The first day of the educational trip counts as an absence towards the 10 days, the rest of the days of the trip are coded with an "0" and do not count against the 10 days.

Unlawful absenteeism is a violation of the Pennsylvania Public School Code. For each illegal absence, a letter will be sent to the parent(s)/guardian(s) of the child indicating such. When a student accumulates 3 illegal absences, a letter is mailed to the child's parent(s)/guardian(s) to make them aware of these illegal absences, in addition to scheduling a Truancy Elimination Plan (TEP) meeting through the principal's office. If a <u>fourth illegal</u> absence takes place, the school is required to file a <u>citation against</u> the <u>parent(s)/guardian(s)</u> and <u>student</u> through the Magisterial Judge. A hearing then takes place where fines and other consequences are imposed on the parent(s)/guardian(s) and/or student.

Rules and regulations pertaining to attendance can be found in Article XII of the Pennsylvania Public School Code and in the Crawford County Unified School Attendance program on file in the Central Office.

TARDINESS-ABSENCES – Any student arriving after the beginning of the school day but prior to 12:05 PM will be marked tardy. Any student leaving school from 8:40 AM to 12:05 PM will be considered absent for a full day. Any student arriving after 12:05 will be considered absent for half a day. Any student who is excused after 2:10 PM will be considered as having attended the entire school day. A child reporting late to school must provide the appropriate written excuse to the school secretary.

STUDENT CHANGE OF ADDRESS - If you have a change of address or phone number, report it to the office immediately, so that your school records are correct. We maintain emergency information so that we are able to contact a responsible person should you become ill or are involved in an accident. Please call or stop by the office with any corrections or changes.

STUDENT ILLNESS - Students who become ill during the day must report to the Nurse's Office. Under no circumstances are ill students to spend a period or periods in the restrooms. If the nurse is not available, the student is to report to the main office. Students waiting to be taken home must wait in the clinic or main office until released by the nurse or office staff.

MEDICATIONS: Policy #210 - The Conneaut School District has revised its policy on the use of medications for students. Part of the policy states no prescription or nonprescription medication shall be administered or taken by a student of the Conneaut School District unless there is a written prescription signed by a duly licensed and authorized medical practitioner. In NO CASE is the student permitted to transport medication in any form or container on the bus.

If it is necessary for a student to take any type of prescription or nonprescription medication during the school day, there must be a parent permission slip completed, as well as a written prescription signed by a licensed physician on file with the school nurse. The prescription should contain the following information:

- name of the student
- date of the prescription
- name or description of the medication
- dosage instructions including the number and/or quantity of the medication; the frequency of
 its usage; the maximum period of dosage; the recommended date of discontinuance of dosage;
 any special directions or precautions including anticipated adverse reactions
- signature of the administering physician
- a Conneaut School District Authorization for Administration of Medication Form <u>signed by</u> the parent/guardian, which will become part of the student's permanent health record.

Parent(s)/guardian(s) must provide the school nurse with the medication which is stored in its original, properly labeled container by the pharmacist. Medications <u>must be brought to school by the parent/guardian</u> and given directly to the school nurse or office personnel. <u>Medications must not be sent to school with students!</u> A **new** Authorization for Administration of Medication Form for student medication will need to be completed **each** school year. <u>Medication should be given to students during school hours only when absolutely necessary.</u> When possible, medication should be given before and after school hours by the student's parent(s)/guardian(s).

Students with inhalers, epi-pens and diabetic supplies/insulin, who have produced documentation from a physician and demonstrated proficiency to the nurse, may be permitted to have prescribed items in their possession.

Over-the-counter medications will be given, provided that directions for the administration of the over-the-counter medication is made available by order of a treating physician or specific written authorization of the parent/guardian specified on the district's Authorization for Administration of Medication Form.

Over-the-counter medications must also be brought to school by parent(s)/guardian(s) in its original bottle.

ACTIVITIES ATTENDANCE - Students participating in after-school programs including athletics, drama, band, etc., are required to be in school no later than 10:00 A.M. Failure to arrive prior to 10:00 A.M. disallows participation in the activity for that day. Students who are absent from school are not permitted to attend and/or participate in any school activity or function. Exceptions are medical excuses, family emergencies, and/or approval of the Principal or Assistant Principal.

EARLY DISMISSAL: A child who needs to be dismissed early for any reason must bring a note from home. It is in the interest of your child's safety that we do not release your child without written permission. Please call the school for a child's release should an emergency arise after the child has reported to school. Upon leaving the school, the parent(s)/guardian(s) must sign out the student in the main office.

EARLY CLOSING OF SCHOOLS: There is always the possibility some schools will have to close early because of water cutoff, loss of electricity, boiler failure, inclement weather, or any one of a number of unanticipated problems. Therefore, we urge all parents to be sure they have made provisions for such emergencies when they do not plan to be at home, such as designating a neighbor to receive the child after dismissal or having another responsible person in the home.

SCHOOL CLOSING AND DELAY: Policy #804 – In all cases of inclement weather, the Superintendent, in conjunction with the transportation contractors, will make a decision by 6:00 am to either have a delay or cancel school. Parents, Guardians, Students, and employees will receive a message from school messenger with this information. You should listen to local radio stations or television stations for updated information.

Two (2) hour delays will be the only delay used by the district. A final decision on the cancellation of school will be made by 7:30 am, after a two (2) hour delay had been instituted.

SIGN OUT PROCEDURES - Students who are to be excused before the end of the school day must present a note to the office of the Principal or the attendance office. The note should be presented before the school day begins except in cases of emergency. Upon leaving school, the student must sign out in the main office.

ATHLETIC EXTRACURRICULAR ACTIVITIES

- Physical Examinations (All Student Athletes are required to have an annual physical.)
 However, P.I.A.A. regulations require that the standard C.I.P.P.E. 6 section form be utilized no exceptions. These forms are available in the office of the high school. Parents must complete Sections 1-5 prior to the physical. Section 6 will be completed by the examiner.
- Eligibility
 - O To conform to PIAA regulations, student athletes in Conneaut School District may compete for junior varsity or varsity competition in grades 9-12 in all sports to include cheerleading. Students in grades 7-9 must also conform to PIAA regulations and are eligible to participate on the junior high level.
 - The principal or designee is responsible for determining academic eligibility of students involved in extra-curricular activities.
 - O Student scholastic eligibility shall be determined on a weekly basis during each grading period by maintaining a sixty-five percent (65%) in a minimum of six (6) out of eight (8) courses. Students cannot fail the same course two (2) weeks in a row. Students who participate in any extracurricular activity are subject to this requirement. Students who do not meet the requirement in the preceding paragraph are given a one (1) week

warning to become eligible. During this week the student athlete may practice and play in games. If the student remains ineligible the following week they are classified as ineligible. #1, which means they may practice but cannot participate in games. #2, which means they cannot practice or play in any contest. Student athletes who are ineligible three (3) consecutive weeks (not counting the warning week) OR a combination of four (4) weeks of ineligibility during the course of the season are dropped from their team roster. PIAA does require that all students must be passing four (4) full credit courses at all times to be eligible.

 Eligibility for all students involved in extra-curricular activities will be completed/determined on a week-to-week basis. Grades in each subject will calculated

as a cumulative grade across one grading period.

O At the end of the week preceding the first PIAA sanction, athletic contest or competition, eligibility will be determined for the week of the first contest. Eligibility sheets will be given out to teachers every Friday (or the last school day of that week) Students and coaches will be informed on or before the following Monday of the student's eligible status. Eligibility will continue to be determined throughout post-season play. At the end of a semester, the grade for the course (final average) will supersed the six weeks, the student will be eligible. If a student fails the six weeks, but

passes the class, they will be allowed to participate.

The Conneaut School District academic guidelines for a minimum number of credits passed per year is (6) out of (8). This translates into a student must pass 6 out of 8 credits taken in each grading period and no student may fail more than (1) credit per grading period to be eligible for extracurricular activities. If a student, at the end of a grading period, is academically ineligible, that student will be required to sit out of practices and games for (10) consecutive school days. At the end of the 10-day ineligible period, a student must be passing all subjects currently being taken to be reinstated into the extra-curricular program. The Conneaut School District requires minimum academic guidelines that are higher than that of the PIAA minimum standards. However, the 10-day exclusion from extra-curricular activity does follow PIAA guidelines. The exclusion period will begin the day after report cards are distributed.

O At the end of the school year a student cannot be failing more than two credits. If so, the student will be suspended from extra-curricular activities for the first 10 days of the

next school year. This also excludes students from pre-season workouts.

 If the proper number of credits is successfully completed over the summer to correct the deficiency, the student shall be eligible for extra-curricular activities beginning immediately.

O Students participating in athletic events and/or extra-curricular activities of any type shall be in attendance at school as follows; middle school by 9:00 am and high school by 10:00 am. If a student arrives late to school on or before the designated time, a valid excuse must be presented. If a student is absent from school or arrives after the designated time, that student is automatically ineligible to participate in the practice or event for that day. Exceptions are medical excuses, family emergencies, school related activities, legal appointments or an unusual event that is beyond the students control that must be approved by the principal.

- A student who has been absent from school during a school year for a total of 20 days or more shall not be eligible to participate in any extra-curricular practices or contest. Once a student has missed 20 or more days, he/she must be in attendance for a total of 60 school days following his/her 20th day of absence. During the 60 days the student is ineligible to participate in any extra-curricular activity. Exceptions are as follows; confining illness, quarantine, confining injury, death in the immediate family, court-issued confinement, court or legal issued absences. Absences that are out of the ordinary and do not fit any of the guidelines above could be reviewed by a special committee made up of the athletic director and principal. Attendance at summer school does not count toward the 60 days required.
- A four member panel will be appointed at each school to deal with only the most difficult eligibility concerns, which occur between grading periods. This panel will consist of the principal, school counselor; athletic director and one teacher to be named at each school. The appointed teacher will serve for minimum of one (1) year. (This panel concept was taken from input suggested by P.I.A.A.)

ATHLETIC PRACTICES

Conneaut School District has a closed practice rule in which all athletic practices are considered closed to all individuals but team members, coaches and other related team personnel. Parent(s)/guardian(s) are permitted to enter the practice area 15 minutes prior to the announced practice ending time.

HOW ABSENCE AFFECTS ELIGIBILITY "A pupil who has been absent from school during a semester for a total of twenty (20) or more school days, shall not be able to participate in any athletic event until he has been in attendance for a total of sixty (60) school days following his twentieth day of absence, except where there is a consecutive absence of five (5) or more school days, due to continuing illness, injury, death in the immediate family as directed in Section 1154 of the Public School code of 1949, as amended, court subpoena, or quarantine, such absence may be waived from the application of this rule by the District Committee. Attendance at summer school is not included in the sixty (60) days required."

"Absence from school for an entire semester, or for several semesters, shall disqualify a pupil for the same period as stated in this section." In cases where a student's work in any preceding grading period does not meet the standards provided for in this article, said student shall be ineligible to participate in interscholastic athletics for the first twenty (20) school days of the next grading period, except as provided in Section 5.

On days of in school or out of school suspension, the student is declared ineligible for participation in practices, games, or events. Suspension of students from athletic teams must be consistent with school suspension procedures.

Rules and regulations pertaining to athletics can be found in the Conneaut School District Athletic Handbook.

STUDENT EDUCATIONAL TRIPS The Principal or Assistant Principal shall approve all parent requests for students to be absent. Students who wish to go on an educational trip shall present a written request from their parent or guardian. The request will state the destination and specific dates of absence. The request must be presented to the Principal or Assistant Principal one or more weeks in advance of the trip, preferably on an Education Field Trip Request form, which is available in the school office. Students are expected to make up work missed as soon as possible. They will be given as many days to turn in work as they are out.

EXTRACURRICULAR ACTIVITY TRIPS, SOCIAL EVENTS AND CLASS TRIPS: Policy #231

The Board recognizes the value of student social events and activity trips in enhancing and enriching the school experience for the children of the Conneaut School District. As voluntary participants in school extracurricular activities, social events and class trips, students shall be held responsible for compliance with rules set forth in advance for their conduct, and infractions of those rules will be subject to the same disciplinary measures as are applied during the regular school program.

Participation in social events and activity trips is not a right and may be denied to any student who has demonstrated disregard for the rules of the school. Rules and expectations governing all school sponsored trips are set forth in Policy #231. All misbehavior related to school sponsored trips will be governed by Policy #231 and, if applicable, the Conneaut Area Senior High Rules for Student Conduct.

Any student who violates the rules and regulations governing students' conduct while on extended field trips, in addition to any other disciplinary action taken in accordance to the rules and regulations governing student conduct, shall be prohibited from participating in any subsequent student activity, social event or class trip for the remainder of the school year.

STUDENT ASSISTANCE PROGRAM - Many students have issues which interfere with their educational performance, and may interfere with their physical, mental, social, and emotional development as well. When students are troubled, so are teachers, counselors, administrators, other school staff, as well as you, the parent/guardian. The **Student Assistance Program (SAP)** is designed to help the student, the school, and you.

The Core Team is a group of school personnel whom, along with Core Team Liaisons who represent mental health and alcohol and other drug treatment systems, motivate at-risk students into seeking appropriate help through SAP.

The Student Assistance Program is a systematic, professional, and realistic response to students' problems in our school. The Core Team in your student's school has been trained to:

1. Identify...Not Diagnose...students who are troubled by physical, social, emotional or chemical use problems, which are, in some way, affecting their school performance. It is the role of the SAP Team to identify concerns for students and provide the necessary assistance. We are not mental health professionals and do not diagnose. The Core Team is responsible to voice concerns and refers students to the proper professional services when necessary.

- 2. Intervene and refer students and families for an assessment when warranted.
- 3. Focus on educational concerns rather than an attempt to resolve major social problems.
- 4. Utilize school staff and community resources when necessary.
- 5. Enlist the support and involvement of parent(s)/guardian(s) in helping the student.

STUDENT RIGHTS AND RESPONSIBILITIES: Policy #235

The Board has the authority and responsibility to establish reasonable rules and regulations for the conduct and deportment of District students. At the same time, no student shall be deprived of equal treatment and equal access to the educational program, due process, a presumption of innocence, and free expression and association with these guidelines.

Attendant upon the rights established for each student are certain responsibilities, which include respect for the rights of others, obedience to properly constituted school authority and compliance with the rules and regulations of this district.

School rules are assured to be reasonable until rescinded or waived. Students are responsible to be aware of and to obey school rules, even while working, through proper channels to change school rules with which they disagree.

Directory information includes the student's name, address, telephone number, electronic mail address, photograph, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student and other similar information. Schools regularly feature many of their events and activities in various local publications and on the Internet. These published materials often include photographs of students engaged in school functions or other types of directory information. Some parents may not want their child(ren)'s photograph or other directory information released to any form of the media or in any publication. As a parent, if you have objections to the release of any form of directory information regarding your child (ren), you must notify your respective school in writing. CONNEAUT SCHOOL DISTRICT DRESS AND GROOMING – POLICY NO. 221

Adopted: August 8, 2013 Revised: April 13, 2022

PURPOSE:

The Board recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference.

AUTHORITY:

The purpose of implementing this student dress code policy for all students in grades Kindergarten through 12 is to strengthen the learning environment for classroom instruction and academic performance; prevent disruption to the educational process; prevent distraction to students, staff and the educational process; facilitate learning; increase the atmosphere for school pride and personal appearance; and enhance the image of students and the school in the Conneaut School District community.

The Board has the authority to impose limitations on students' dress in school. Students are required to be neat, clean, fully clothed, and facially identifiable at all times.

Students may be required to wear certain types of clothing while participating in physical education classes, technical education, vocational agriculture, extracurricular activities, or other situations where special attire may be required to ensure the health or safety of the student.

DELEGATION OF RESPONSIBILITY:

The Board authorizes the Superintendent or designee to enforce school rules prohibiting student dress or grooming practices which the Superintendent or principal determine to:

- 1. Present a hazard to the health or safety of the student him/herself or to others in the school.
- Materially interfere with schoolwork, create disorder, or disrupt the educational program, or are inappropriate for school dress.
- Cause excessive wear or damage to school property.
- Prevent the student from achieving his/her educational objectives because of blocked vision or restricted movement.

The building principal shall be responsible to monitor student dress and grooming and to make the final determination on compliance.

Staff members shall be instructed to demonstrate by example neatness, cleanliness, propriety, modesty, and good sense in attire and appearance. Staff will also receive yearly in-service regarding the dress and grooming policy for students. The teacher's role is to report inappropriate dress and grooming to the building principal or his/her designee.

The Superintendent shall ensure that all rules implementing this policy impose only the minimum necessary restrictions on the exercise of the student's taste and individuality. However,

parents/guardians and students must be aware that trends and fashions of the day may not be appropriate for the classroom.

GUIDELINES:

Inappropriate items for the school day include but are not exclusive of the following and final decisions are made by administration:

- Clothing, apparel, or jewelry that by words, signs, pictures, or any other combinations
 thereof, advocates or promotes sexual activity, violence, death, suicide, or the use of

 sex, religious persuasions, sexual persuasion, national origin, disability, or gang
 membership.

- 6. Non prescription sunglasses (inside school facilities).

Slippers are defined as: a light shoe of some soft material, with or without a hard bottom that is meant for wearing around the house. Shoes with wheels ("heelies") are strictly prohibited.
- 9. Activity-specific uniforms or other athletic uniforms are only permitted during competition.

This policy describes the district's minimum dress code and grooming requirements. Each building has a student handbook, which may contain additional requirements associated with that specific building.

New students enrolling in Conneaut School District will be provided a grace period of no more than fifteen (15) days (calendar) to comply with the dress and grooming policy.

Formal Dress: Formal dress code for dances will be set by School Administration.

MANDATED REPORTER Act 126 requires the reporting of child abuse to the Dept. of Public Welfare by school personnel, as all personnel are considered mandated reporters.

PUBLIC DISPLAY OF AFFECTION: Obviously, we recognize it is healthy for young people to have a natural attraction for one another. However, it is considered an infringement on the rights of others when couples subject others to view various stages of romance in our halls. Hugging and kissing are not appropriate in the school setting or at school events. After warning, further action will be taken if necessary.

HALL PASSES: Students shall not be permitted in the halls during class periods unless they have a written hall pass/agenda. Before reporting to the main office, Alice Schafer Annex, guidance office, or nurse's office, students must be issued a pass from the classroom teacher.

LIBRARY REGULATIONS: The library is the center of learning built around a collection of books and other communication media which are an important part of the student's academic life. The librarian will assist students in locating materials and direct students to other special services that may fit their particular needs. A HOLD will be placed on grades and other records of any student who fails to return overdue library materials. Lost or damaged materials are the responsibility of the student who signed out the material. Students are admitted to the library on presentation of a hall pass signed by a teacher and approved by the librarian.

SAFETY DRILLS: Monthly fire drills and periodic safety/security drills are conducted in all school buildings. A fire evacuation/tornado drill plan is posted in each room. Students are to study the plan(s). When the fire alarm sounds, students will immediately stand and form a single line as they leave the room. No one is to pass another or break the line of march. Running is not permitted, nor is talking. All drills need to be taken seriously.

USE OF DOGS TO SEARCH SCHOOL PROPERTY: Policy #226.1 is for the purpose of utilizing dogs to search for illegal substances on school property. This will include the search of desks, classrooms and vehicles parked on school property. Individuals will not be subjected to a search by dogs. The law enforcement agency will be given full authority to investigate and prosecute any person found to be responsible for illegal substances on school property. Parents and students need to understand, this policy is yet another effort to help keep our schools safe and drug free.

BACKPACKS/BOOKBAGS: It is understood that backpacks/bookbags are needed to transport school materials to and from home and school. Once a student arrives at school, the backpacks/bookbags are to remain in the student's locker and are NOT to be transported to each class.

STUDENT LOCKERS: Each student is assigned a locker for the storage of books and equipment. Students should only use the locker in which they are assigned. Lockers are a permanent part of the building. Students are expected to keep his/hers in order at all times and in good usable conditions. It should be noted that lockers are loaned to the students for use during the school year and are subject to inspection by authorized persons at any time. Responsibility for the lockers and contents rests solely with the student, therefore lockers should be secured at all times with lock provided by the school or a student provided lock that has been approved by the Principal. Students allowing others to use their locker run the risk of being held responsible for illegal items others may place there.

STUDENT NEWSPAPER AND PUBLICATIONS: School newspapers and publications shall conform to the following:

- 1. Students have a right to report the news and to editorialize within the provisions of paragraphs (4) and (5).
- School officials shall supervise student newspapers published with school equipment, remove obscene or libelous material, and edit other material that would cause a substantial disruption or interference with school activities.

Students who are not members of the newspaper staff shall have access to its pages. Written criteria for submission of material by non-staff members shall be developed and distributed to all students.

USE OF TELEPHONE: The office telephone is a business phone. It may be used by students for school business or personal emergencies only.

WORKING PAPERS: Working papers will be issued from the office of the Principal. Students must pick up forms and instructions from the Secretary.

INSURANCE: Student insurance is available to all students. The insurance can be purchased throughout the year by inquiring at the main office. The Conneaut School District would like to emphasize to all parents and legal guardians of students that they are responsible for medical bills incurred during the day. This does not include interscholastic athletics. The District covers all participants both in games and practice within the terms of the Policy. Parents are encouraged to purchase student insurance, either school time or 24 hour coverage for their children. This is especially important if the student is not currently covered under a family policy. Information concerning student insurance will be sent home with students at the beginning of the school term.

CAFETERIA

BREAKFAST AND LUNCH: The District opted into the Community Eligibility Provision (CEP) at all District locations. This program allows all students, regardless of economic status, to receive a free breakfast and lunch. As such, free and reduced applications are no longer required to be filled out or submitted in order for a student to have free eligibility.

ACCOUNT BALANCES: Because breakfasts and lunches are now free for all students, negative balances are no longer permitted. All other sales (a la carte, second meals, etc) must paid with cash or from an existing account balance. If a parent wishes to make an online payment to their child's account, this can be accomplished by creating an account at the SchoolCafe website (www.schoolcafe.com). Processing fees may apply.

ACCOMMODATING STUDENTS WITH SPECIAL DIETARY NEEDS IN THE SCHOOL NUTRITION PROGRAMS

Conneaut School District participates in a federal Child Nutrition Program (School Lunch and School Breakfast Programs) and is required to make accommodations for children who are unable to eat the school meals because of a <u>disability</u>* that restricts their diet. In order to make these dietary modifications, the school district <u>must</u> have a written Medical Statement on file that is signed by a

<u>licensed physician.</u> *Note: only a licensed physician can declare if a student has a disability. The statement must identify:

- The child's disability
- An explanation of why the disability restricts the child's diet
- The major life activity affected by the disability
- The choice of food(s) to be omitted from the child's diet
- The choice of food(s) that must be substituted
- An identification of the medical or other special dietary condition which restrict the child's diet
- The choice of food(s) to be omitted from the child's diet
- The choice of food(s) to be substituted

In Pennsylvania, a recognized medical authority includes a Physician, Physician's Assistant, and Nurse Practitioner.

Responsibility of Parents

- Notify the school of any food allergy, disability or special dietary need.
- Provide Medical Statement completed by a physician (disability) or recognized medical authority (special dietary need).
- Participate in any meetings or discussions regarding the student's meal plan. Maintain a
 healthy line of communication with the school.
- Notify the school of any changes relating to the special dietary need (a new Medical Statement is required if the diet changes).

School districts will no longer be permitted to substitute juice for the milk with a school lunch. This would include students with milk intolerance, non life-threatening allergy and any other non-disabling medical condition. Students who have a disability or life threatening allergy to milk will receive a milk substitute of lactose free milk with proper documentation from your physician.

Please keep in mind, your child is not required to take milk with their lunch. Your district provides an "offer-versus-serve" program which only requires that 3 of the 5 meal components (food groups) are taken. The 5 components offered daily include: Protein, Grains, Fruit, Vegetable and Milk. Again, your child can decline the milk and take at least 3 of the other meal components to have a complete lunch.

School, District, Food Service Responsibility:

- Provide food substitutions for students according to medical statement. The school food service staff may not revise or change a diet prescription or medical order.
- Provide training to cafeteria personnel on how to properly accommodate students with special dietary needs. Maintain documentation of this training.
- Communicate with parents, staff, and medical authorities regarding diet modifications.
- Maintain medical statement on each student with a special dietary need. Diet orders are not required to be renewed on a yearly basis; however, PDE recommends that you confirm current diet orders on a yearly basis. This can be confirmed by the parent. If there are any changes to the diet, a new medical statement is required.

Parents need to discuss their child's special dietary needs with the school principal and school nurse.

PARENT CONFERENCES: Parent conferences are held for all elementary and offered to middle and high school students. Information will be sent home announcing conferences. Parents may request a parent/teacher conference at any time.

ASBESTOS COMPLIANCE: Each school building in the Conneaut School District has been in compliance under the requirement of the Asbestos Hazard Emergency Response Act (AHERA). Each building has its AHERA Management Plan on file and is available for your review by calling the school office.

HEALTH INFORMATION:

The Pennsylvania School Code requires immunization for the following diseases before entry into school: diphtheria, pertussis, tetanus and polio, four doses with one being given on or after the student's 4th birthday; MMR, two doses; Hepatitis B, three doses; and varicella (chickenpox), two doses or written documentation of disease. Additionally, students entering seventh grade are required to have a Tetanus and diphtheria toxoids and acellular pertussis vaccine (Tdap), one dose; and one dose of Meningococcal Conjugate Vaccine (MCV). Entry into 12th grade requires a booster dose of MCV. Upon registering your child, please provide, in writing, all shot records with the immunization dates. If there is a medical reason why your child shall not be fully immunized, please send a certificate from your physician stating the reason. If you object to immunizations for religious reasons, the State requires that you fill out special forms every school year.

Students who do not provide documentation of grade level required immunizations may be excluded on the 4th day of school in that school year and each succeeding school year that the child fails to obtain the required immunizations.

Acquaint school personnel, particularly the teacher and nurse, of any special health problems which your child may have.

Provide your child with good nutritious meals and follow good health habits - brushing teeth, washing hands before meals and after lavatory, covering mouth when coughing and sneezing, etc. Assure adequate sleep patterns.

Provide your child with good health care. Any illness that requires three (3) or more days of absence from school is considered serious enough to warrant a call to your family doctor and following his/her advice. A recuperating child should remain at home at least 24 hours with a normal temperature reading. Returning too soon may result in a relapse. Do NOT send a child to school that has been vomiting or running a fever the night before. **NOTE:** Do not give aspirin products for fever or chickenpox. No child may attend school with any contagious rash, sores, inflamed eyes, scabies, or live head lice. These conditions respond readily to treatment and readmission to school is permitted 24 hours after treatment by a doctor.

It is extremely rare for a child who has been immunized to contract either rubeola or rubella. In such cases, follow your physician's advice regarding returning to school. There is no exclusion period for chicken pox after the rash has stopped erupting. The child should stay home until the fever has subsided and the child feels well. He or she may return with the scabs.

Scarlet fever is in the same class as streptococcal sore throat. The child should be under a doctor's care and return only when completely well.

When a child returns to school after an absence, please send an excuse with him/her indicating the reason for the absence, and the dates of the absence.

Only first aid is given at school. In the case of serious injury or illness, the parent will be notified immediately. A second telephone number should be listed in case the parent is not at home.

Any child in kindergarten and 3rd grade, that has not returned a dental examination form, will be examined by the school dental hygienist. This is an examination only, no work will be done. Any child who has not returned a private medical form in kindergarten must provide a parent permission form to be examined by the school physician. You are invited to be present.

Hearing will be tested on all students in kindergarten, grades 1, 2, and 3. Vision will be tested every year.

HIGH SCHOOL DETENTION GUIDELINES

- Detention is not a social time. Quiet is the rule unless conversation is initiated by the detention supervisor.
- Students are required to complete the assigned work.
- 3. Hours are 4:00 PM until 5:00 PM on the day of detention; or 4:00 PM until 7:00 PM for a 3 hour detention.
- 4. Obey all instructions without back talk, muttering or other forms of disrespect.
- 5. Stay in your seat at all times.
- Raise your hand when you wish to leave your seat, but you must wait until given permission to approach the instructor's desk. At that time, you will make your request in a quiet tone so you will not disturb your classmates.
- 7. No food or drink permitted in the detention area.
- 8. Emergencies will be handled as they occur.
- 9. The office must be notified prior to the student (re-scheduling) a detention.
- 10. The re-scheduled detention automatically moves to the following detention date.
- 11. Change of a detention date may occur only once.
- 12. The supervisor of detention shall maintain a log of students present. Also, an anecdotal record may be kept regarding students' behavior at detention.

***PLEASE NOTE: <u>Transportation will not</u> be provided by the Conneaut School District. It is the responsibility and liability of the parent. Failure to comply with this notice will result in additional detention, reassignment time or possible suspension.

SUSPENSION AND EXPULSION: Policy #233

The Board recognizes that exclusion from the educational program of the schools, whether by suspension or expulsion, is the most severe sanction that can be imposed on a student and one that cannot be imposed without due process. The Board shall define and publish the types of offenses that

would lead to exclusion from school. Exclusions affecting students with disabilities shall also be governed by applicable state and federal law and regulations.

The board may, after a proper hearing, suspend or expel a student for such time as it deems necessary, or may permanently expel a student.

ALTERNATIVE EDUCATION PROGRAM

The Alternative Education Program is designed to bring the schools into compliance with the current Board policy and Discipline Code. It is designed in response to the on-going concern with students who continue to be a major disruption to the education process. This program is necessary to remove disruptive students from the regular classroom settings after normal interventions have been exhausted, as per the K-12 Discipline Code.

- 1. Students can be assigned to this program for a minimum of 15 days and a maximum of 45 days, per assignment.
- 2. A person holding a Teaching or Special Education Certificate is qualified to direct this program of individualized study. Dually certified teachers will be given preference.
- All efforts will be made to keep the student current with academics happening in the regular classroom. In addition, a behavioral component will be added to address the student's disruptive conduct.
- 4. Alternative Education staff and the classroom teacher will keep in close contact regarding the student's educational program to keep current on those activities for transition back into the regular classroom. Exit criteria from the Alternative Education Program will be established through conferencing of all appropriate staff.
- 5. Transition from the Alternative Education Program back to the regular education setting will be monitored closely by the Principal.
- Evaluation and success of the program will be measured by improved behavior in all classroom settings.
- 7. Forty-five (45) days of staffing will be allotted to each school at the discretion of the building Principal.
- 8. Location of the Program will be designated by each Principal.
- 9. Before a Special Education student can be placed in the Alternative Education Program, the IEP Team, including the Principal and Director of Special Education, must reconvene to determine whether the child's IEP is working, that a behavior management plan has been implemented, and if the child's behavior is a manifestation of the child's disability. If the behavior is not a manifestation of the child's disability, THE CHILD MAY BE DISCIPLINED IN THE SAME MANNER AS OTHER STUDENTS WHO VIOLATE THE SCHOOL POLICY. If the behavior is a manifestation of the child's disability, the IEP Team and the Principal must determine what modifications, if any, need to be made to the IEP. If the child's behavior involves possession of a weapon, or the illegal use, possession or distribution of drugs, a Principal may change the educational placement of the child for up to forty-five (45) days. Within the 45 day period, the child's IEP Team is required to investigate the incident and determine an alternative placement. If the child's parent disagrees with the alternative placement, they can request a due process hearing. Before a special education student can be placed into the Alternative Education Program, the student must be unsuccessful in an IEP behavior plan for a minimum of six (6) weeks. The behavior plan of the IEP should have the Alternative Education

Program specified as a consequence.

- 10. If the behavior plan of the IEP for the special education student is not working, and the IEP Team and Principal and Director of Special Education determine that the special education student should be placed into the Alternative Education Program, a re-evaluation must be conducted on the student as well as a new NOREP and new IEP.
- 11. When writing the IEP, if there is no special education teacher teaching the Alternative Education Program, then a consultative IEP should be written with a special education teacher listed on the IEP as a consultant.
- 12. Special Education students are not entitled to specials when placed in the Alternative Education Program. This should be indicated in the IEP. The only special a student could receive would be Adaptive Physical Education, as long as the IEP team agrees the child requires it. It would then need to be written into the IEP.

Please feel free to contact the school should you have any questions regarding this or any other components of the student discipline code.

TRANSPORTATION: Policy #810 BUS ROUTES:

Our District requires safe, efficient and economical pupil transportation in carrying our pupils to and from school as well as on co-curricular and field trips.

The Board is aware of the concern of parents/guardians regarding the transportation of their children and shall operate within the framework of reference mandated by the Pennsylvania Department of Transportation in matters related to student transportation.

The District has the responsibility for the assignment of school bus stops and students to the bus routes. Parents/guardians must recognize that bus assignments cannot be customized to meet every individual need and still be part of an efficient and economical transportation system. The District will cooperate with working parent/guardians and a responsible baby-sitting arrangement. This means the child will receive a regular bus schedule assignment at the beginning of the school. The District will attempt to reasonably accommodate parent/guardian work schedules and emergencies that may require a change in the bus schedule assignment. The parent(s) or guardian(s) may request in writing that a student be reassigned to a different bus stop and/or route. These requests must be reviewed by the building level administrator, who shall have the authority to implement a change in the child's bus schedule if the request meets the requirements of this policy. Such bus schedule changes shall not be approved for sporadic or individual school days.

The District will not add additional buses or alter established routes to accommodate an individual transportation request. Requests for students to ride on an alternate bus or be assigned to an alternate bus stop will be approved only when the above conditions are met. Parents/guardians may request that a student be permitted to ride an alternate bus on limited occasions in accordance with the Bus Rules explained below. (See Bus Rule 6)

The Board has concluded this rule is necessary to keep its students safe during transportation to and from school property.

BUS RULES:

The Conneaut School District Board of School Directors are of the opinion that all bus riders should observe the following rules:

- 1. Students should plan to leave home at the same time each day in order to be at their bus stop approximately five (5) minutes before the bus.
- 2. Every student who rides a bus must get on and off at their assigned bus stop.
- 3. One (1) pickup Monday through Friday and one (1) drop off point Monday through Friday for children must be established prior to the start of the school year.
- 4. Change requests must be hand written and submitted to the building principal forty-eight (48) hours in advance.
- 5. In the event of a catastrophic family emergency (i.e., sudden severe illness, auto accident, etc.), please contact the school as early as possible to arrange alternate transportation for your child.
- 6. Students will be permitted to get off at a bus stop that is not their assigned bus stop, or ride home on a bus that is not their regularly assigned bus, once per quarter. This must be an established bus stop. Students must bring in a note signed by his/her parent/guardian as well as written authorization from the parent/adult at the drop off point. The student must get further written approval from the principal's office authorizing the change.
- 7. Students will be assigned to a special seat by the driver, contractor, or district administration.
- 8. State laws prohibit smoking on school buses.
- 9. Profane or objectionable language will not be tolerated.
- 10. Throwing objects of any kind on the bus or from the bus is dangerous and will not be tolerated. State laws prohibit littering.
- 11. Any student who, intentionally or unintentionally, causes any damage, especially to windows or seats while on or off the bus, will be billed for the cost of the damage.
- 12. Never place hands, arms, or any other part of the body out of the windows.
- 13. Avoid unnecessary noise which might distract the driver's attention and cause an accident.
- 14. No student is permitted to open the emergency door except upon direction of the driver or in an emergency in which the driver is incapacitated.
- 15. Any other misconduct not specifically covered in the proceeding regulations, but which is determined by the bus driver, the principal, or administrator to be detrimental to the safe operation of the bus, may be cause for suspension of bus privileges. All misconduct deemed necessary to record formally will be written up on the bus conduct report and will be evaluated by the district administration. A copy of the form will be retained by the bus driver, a second will be sent to the parents/guardians, a third will be sent to the administrative assistant, and a fourth will be placed in the student's file C.
- 16. School buses and school vehicles may be equipped with cameras and audio-recording devices that may provide audiotape of individuals on the school bus or school vehicle for the purpose of discipline and security. Each school year, the Board shall notify students and their parents or guardians of the policy, by letter mailed to the students' home addresses. The Board also shall post a notice that students may be audiotaped, which notice is clearly visible on each school bus or school vehicle that is furnished with audio-recording equipment.

*** Similar to Policy #810, we are requesting we be notified by 1:00 PM on days when parents are thinking about picking children up at school rather than having them ride the bus home. We ask this due to the number of people needing to be notified and the time it takes to do so.

PARENTAL NOTIFICATION:

If a student breaks a rule or regulation, the parent or guardian will receive a copy of the bus conduct report by mail as soon as action has been completed unless the infraction is of a nature which necessitates immediate telephone notification or personal involvement.

So that a parent(s) or guardian(s) may better understand what may happen to his/her child, the following are general guidelines followed by administration when infractions occur:

Dependent Upon Severity of an Infraction the:

1st bus conduct slip may constitute a warning.

2nd bus conduct slip may constitute an after school detention.

3rd bus conduct slip may result in a one (1) day suspension.

SUSPENSION FROM BUSES:

Fighting, smoking, destruction of bus property, leaving bus without properly signed permission note, and infractions similar to those initiated within the school building which are deemed suspendable will also be treated as suspendable offenses. In cases involving bodily harm, abusive demeanor toward the driver, threatening gestures with or without weapons of any kind, or obscenity and profanity; immediate removal may be ordered by the assistant principal, principal or administrative assistant with the approval of the Superintendent.

The bus is, in a real sense, an extension of the school. If a student is caught smoking in school, s/he is suspended; if a student is caught fighting in school, s/he is suspended, etc. A student should act on the bus as s/he should act while in school.

A bus transportation program is also used as a means of extending the education of the child in that it provides him/her with an opportunity to practice courtesy and safety and to develop respect for authority.

TRANSPORTATION SYSTEM - AN EXTENSION OF THE SCHOOL:

Those guidelines which Conneaut School District follows in relation to <u>Student Rights and Responsibilities</u>, will be the same guidelines followed by the bus driver. Drivers <u>cannot</u> suspend students in any matter. A driver may recommend disciplinary action, but only the administration may actually suspend a student.

Students are required to conduct themselves in accordance with the same rules and regulations as apply to the classroom. Infractions will be handled as dictated by the Student's Rights and Responsibilities Policy.

SURVEILLANCE CAMERAS ON BUSES:

At any given time during the school year, buses may have a surveillance camera to monitor students through audio and visual means.

HOMELESS STUDENTS

Homeless students have access to the same educational programs and services provided to other students.

<u>Homeless students</u> are defined as individuals lacking a fixed, regular and nighttime residence, which include the following conditions:

- 1. Sharing the housing of other persons due to loss of housing or economic hardship.
- 2. Living in motels, hotels, trailer parks or camping grounds due to lack of alternative adequate accommodations.
- 3. Living in emergency, transitional or domestic violence shelters.
- 4. Abandoned in hospitals.
- 5. Awaiting foster care placement.

- 10. Abandoned or forced out of homes by parent(s)/guardian(s) or caretakers.
- 11. Living as school age unwed mothers in houses for unwed mothers if they have no other living accommodations.

- receive a free, appropriate public education.

- enroll in school and attend classes while the school gathers needed documents.

 when permanently housed or the school in which they were last enrolled), according to each
 student's best interest.

NOTICE OF INTEGRATED PEST MANAGEMENT

The Conneaut School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents and weeds. The District's goal is to protect every student from pesticide exposure by using an IPM approach to pest management. The District's IPM approach focuses on making the school building and grounds an unfavorable habitat for these pests by removing food and water

sources and eliminating their hiding and breeding places. We accomplish this through routine cleaning and maintenance. We routinely monitor the school building and grounds to detect any pests that are present. Pest monitoring is performed by the District's building custodial, maintenance, office, and teaching staff. Pest sightings are reported to our IPM Coordinator who evaluates the "pest problem" and determines the appropriate pest management techniques to address the problem. The techniques can include increased sanitation, modifying storage practices, sealing entry points, physically removing the pest, etc.

From time to time, it may be necessary to use chemicals to manage a pest problem. Chemicals will only be used when necessary, and will not be routinely applied. When chemicals are used, the school will try to use the least toxic product when possible. Applications will be made only after normal school hours. Notices will be posted in these areas 72 hours prior to application and for two days following the application.

Parent or guardians of students enrolled in the Conneaut School District MAY REQUEST prior notification of specific pesticide applications made at the school of their child's enrollment. To receive notification, you must be placed on that school's notification registry. If you would like to be placed on the registry, please notify, in writing, the IPM Recorder at the Central Administration Office, 219 West School Drive, Linesville, PA 16424. Please include your e-mail address if you would like to be notified electronically.

If a chemical application must be made to control an emergency pest problem (ex: stinging insects), notice will be provided by telephone to any parent or guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and anti-microbial products; self-containerized bait placed in areas not accessible to students, and gel type baits placed in cracks, crevices or voids.

Notification Registries will be updated annually. To remain on the registry, you must contact the Building Principal of the school your child is enrolled in before the start of each school year.

If you have any questions, please contact your Building Principal or the IPM Coordinator. The IPM Coordinator can be reached at (814) 683-5900.
